

WHAT'S SO COOL ABOUT MANUFACTURING?™

Award Ceremony Sponsorship Opportunities

“What’s So Cool About Manufacturing?” is a student video contest for middle school students. The contest raises awareness among students, parents and educators with an accurate depiction of today’s manufacturing environments and career choices. Manufacturing jobs have exciting career paths, excellent pay, engaging work environments and are in high demand! The video contest culminates in the Award Ceremony. Participating students will be recognized for outstanding work and winners are announced.

February 23, 2017 6:30 - 8:00 pm

Location: Capitol Theatre, 50 North George Street York, PA 17401

Target audience: Middle school students, parents, educators, manufacturers
