

MFG ROUNDTABLE: WHY LEADERS MUST PRIORITIZE EMPLOYEE MENTAL HEALTH

For Executives & Leaders in
Manufacturers of All Sizes

JOIN US

Learn how to identify and address sensitive issues in ways that support your employees *and* your business -- and what can happen if you don't.

- Hear firsthand from an industry leader who **successfully navigated** a workplace mental health crisis while maintaining operations
- Understand the **crucial obligations** employers have regarding mental health in the workplace, including compliance, risk management, and employee well-being
- Discover how proactively managing mental health challenges can **reduce costs** associated with absenteeism, turnover, and lost productivity
- Gather **best practices** for discussing sensitive issues with employees, de-escalating crises, and developing open, productive communication

Thurs May 22, 2025
8 - 10 am | FREE
124 E. Main St. Ephrata
